A Trite Saying.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue." Dr. Pierce's "Discovery" cures all blood humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes that contains neither alcohol nor harmful habit-forming drugs, and the only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address free, on receipt of request therefor by letter or postal card, addressed to Dr. R. V. Pierce, Buffalo, N. Y. It tells just what Dr. Pierce's medicines are made of. The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known. Bear in mind that the "Golden Medical Discovery" has THE BADGE OF HONESTY on every bottle wrapper, in a full list of its ingredients. Dr. Pierce's Pleasant Pellets cure constipation, invigorate the liver and regulate stomach and bowels. Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

TO CURE ANY DISEASE.

The Cause Must be Removed, Same Way With Dandruff.

Kill the germ that causes dandruff, falling hair and baldness, you will have no more dandruff, and your hair must grow luxuriantly. Newbro's Herpicide not only contains the dandruff germ destroyer, but it is also a most delightful hair dressing for regular toilet use. No other hair preparation is on this scientific basis of destroying the dandruff germ. It stops all irritation, keeps the scalp sweet, pure and wholesome. Remember that something claimed to be "just as good," will not do the work of genuine Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. E. S. Leadbeater & Sons, Special Agents.

Grave Conditions in Russia.

The Jewish World, of London, has received the following dispatch from Drinsk (also termed Danksberg), province of Vitebsk, 110 miles southeast of Riga, dated June 18:

"Fifty persons have been killed in the anti-Jewish rioting at Starielsk, not far from Bialystok. The state of mind of the populace is indelible."

A dispatch from St. Petersburg says that M. Vinaver, a member of the lower house, yesterday received the following dispatch from M. Jacobson, a member of the commission sent to Bialystok by the lower house of Parliament to investigate the Jewish massacre there:

"Order was restored Monday. Seventy-eight Jews and six Christians have been buried. The majority of the dead were killed with bayonets or rifle bullets. The total of the dead has not yet been established. A Cossack on Monday killed a passing Jew."

"The City Council has unanimously declared that the massacre was not the result of race hatred, but was due to provocation, and the troops and police participated in the outrages."

"The reports that Jews and revolutionists attacked the inhabitants are false."

Private letters received in St. Petersburg from Kharkoff predict that the entire south of Russia will be in a state of open revolution within a month.

Dispatches from the interior yesterday bring the usual chronicle of murder and robbery. Fresh strikes are reported at Kaluga, Kravenchuk, Zhitomir, Volk and Usting Veliki, but the success of the attempt to precipitate a general strike is by no means assured.

The Novoe Vremya, however, reports that the engineers of the Moscow Railroad have decided not to take out their locomotives today. The government has made extensive preparations to meet the strike movement. Military trains are held in readiness at all the stations of St. Petersburg and Moscow.

The masses and stonecutters joined the bakers in the strike yesterday, and the butchers will follow their example today. The prices of bread and meat have been doubled.

A dispatch from Bialystok says that dozens of Christians of the lower classes were seen with sacks on their backs coming from the desolated Jewish quarter to submit to the examination of the soldiers and police. If the sacks contained powder none of it was seized.

As the correspondent passed through the streets strewn with wreckage they could be seen hastily barricaded what was left of their houses. Many of them adopted the attitude of placing ikons or crosses on their doors in order to avert the attacks of the Christians.

An unknown man threw a bomb at M. Humbert, the governor of the prison at Kovno, and M. Akatoff, his assistant, while the men were walking in the street there yesterday. M. Akatoff was seriously wounded and M. Humbert and two passers-by were slightly injured.

There is ferment in the local garrison at Kaluga, Russia, the soldiers sympathizing with the striking railroaders. The Second Reserve Regiment yesterday refused duty, saying they would not serve against their brothers. A battalion of fresh troops has arrived, from which patrols have been assigned to all the streets. The banks, post and telegraph offices are guarded and the government house is surrounded by troops.

The feeling there is extremely uneasy. A crowd of 2,000 peasants, who have been devastating the Yuzenoff estate, near Sudzha, yesterday routed a detachment of rural guards that had been sent against them. Two peasants were killed.

The troops at Azovsk yesterday openly applauded a revolutionary procession of 8,000 miners and workmen.

Private letters received at St. Petersburg from Kharkoff predict that the entire south of Russia will be in a state of open revolt within a month.

The lawlessness in the Caucasus is growing. In spite of the patrols of soldiers and police, murder and robbery are unchecked in Tiflis. At noon yesterday 15 brigands armed to the teeth boarded a car in the center of the city and held up and searched the passengers, taking their purses and jewelry. No arrests were made. The inter-race war between the Armenians and Tartars is spreading.

Aussa Zedlin, who gave State's evidence at the recent trial at Riga of 36 revolutionists, which resulted in the imposition of seven death sentences, was killed yesterday in his apartments by three unidentified men.

A Miraculous Cure. The following statement, by H. M. Adams and wife, Henrietta, Pa., will interest many others. "A miraculous cure has taken place in our home. Our child had eczema 5 years and was pronounced incurable when we read about Electric Bitters. We concluded to try it. Before the second bottle was all taken we noticed a change for the better, and after taking 7 bottles he was completely cured." It's the up-to-date blood medicine and body building tonic. Guarantees 10c and \$1.00 at E. S. Leadbeater & Sons' drug store.

Republican League of Clubs.

Philadelphia, June 20.—The Republican League of Clubs assembled in convention here in connection with the Golden Jubilee of the party is today wrestling with the question as to the successor of President J. H. McAlpin, and the consensus of opinion is that the lead in the race is held by General Dick McAlpin, the candidate of the New York State delegation to the convention. The personal contest between H. M. Meyers and Sid D. Redding, of Arkansas, has been settled by Redding withdrawing from the race in the interest of harmony. The New York delegation dropped William Stewart and began to boost for General McAlpin, who was formerly treasurer of the republican State committee in New York. The Ohio delegates at first backed Scott Bonham, but later switched to McAlpin, and in the early afternoon it looked as if the New Yorker might be chosen on the first ballot. A letter from Vice President Fairbanks was read to the convention and the reading was vigorously applauded. Late this afternoon the delegates will be taken on a steamboat ride to the Delaware capes and return.

The Murder of Mrs. Kinnan.

New York, June 20.—Acting Captain Price is working on the theory today that a relative, or some person known intimately to Mrs. Louise Stenton and who enjoyed confidential relations with the two women in the Bronx house of mystery, is the person who visited the house the night that Mrs. Alice Kinnan was murdered. This person will be able to furnish the police, Captain Price believes, with the details of the crime. Disclosures leading to this conclusion were made following the search of the house after the removal of Mrs. Stenton. While this latest development is declared to be a new clue, it simply recurs to the initial investigation made by the police when they suspected a relative.

In the absence of evidence no arrest was made. The old trail has been taken up now, and it is stated that an arrest will be made. "When we do take some person into custody for the murder," said Captain Price yesterday, "we will have undeniable proof. It would be a bad thing to charge any one with the crime unless we could make good, and that is why we are proceeding cautiously."

Locomotive Engineers.

Ottawa, Ont., June 20.—The convention of the Brotherhood of Locomotive Firemen began here yesterday. Seven hundred delegates from all parts of the United States and Canada are in attendance. The proceedings were opened by an address by J. H. Hanrahan, Chief of the Brotherhood. The sessions will be secret and important matters relative to the order will be considered. The delegates will be tendered many entertainments while here. The ladies' society connected with the brotherhood is also in session.

You cannot induce a lower animal to eat heartily when not feeling well. A sick dog starves himself, and gets well. The stomach, once overworked, must have rest the same as your feet or eyes. You don't have to starve to rest your stomach. KODOL FOR DYSPEPSIA takes up the work for your stomach, digests what you eat and gives it rest. Put it back in condition again. You can't feel good with disordered stomach. Try KODOL. Sold by W. F. Creighton & Co., 401 King Street.
